

IEO Music Festival

~For Artist Support and Children's Future~

We are cordially inviting you to a two-day music event where you can enjoy different cultures with music and folk dance!
In collaboration with the Embassies of 6 countries, artists living in Japan with close ties to each country will perform and dance.

We will also invite ambassadors to attend from each country.

Concerts can be enjoyed at the venue or via live stream.

We look forward to the participation of as many people as possible for a bright future after COVID-19.
