IEO has been approved as a non-profit organization by the Tokyo Metropolitan Government in 2002. Since then, we have been organizing various exchange events mainly at embassies of foreign countries in Japan.

This year, we will participate in the 22th general meeting of Federation of Asia Pacific Women's Association (FAWA) in Singapore. Taking this opportunity, we will hold “Waku Waku IEO Exchange Meeting” in Singapore to socialize with local people.

We will hold this event as the “50th anniversary event of the establishment of diplomatic ties between Japan and Singapore “

On July 23, we held a social event in Ginza, Tokyo to introduce the Peranakan culture.

In Singapore, we will also introduce Peranakan culture as well as Japanese culture and provide time for participants to present their businesses. The speaker on the Peranakan culture will be Mr. Norman Cho. Master of the event and interpreter is Ms. Tomoko Aihaera.

It will be an exciting opportunity for people from various backgrounds will gather together.

For lunch, we will serve Peranakan cuisine.

We hope that this event will become the bridge for exchange between Japan and Singapore and further strengthen bonds between our countries.
