

# *International Exchange Organization 15th Anniversary 2017 Charity Year End Party*

The IEO (Specified Nonprofit Organization IEO International Exchange Organization) was able to celebrate our 15th anniversary this year thanks to your support. We believe, by understanding and helping each other, that we can build a wonderful relationship, and we continue our activities in hopes that it could contribute to world peace, even if it's just a small achievement.

With our feelings of gratitude, we would like to hold a year-end party, "Charity Year End Party 2017," and to invite the Honorable Ambassador and his/her spouse, and the staff members of embassies.

At this event, guests will be able to enjoy the performances by Mr. Shonosuke Okura who is an Important Intangible Cultural Heritage Certified Holder of the Noh theatre, Okura style Tuzumi and by Ms. Keiko Borjeson who is a jazz pianist and vocalist who actively performs around the world.

We will also have a raffle time.

In honor of the International AIDS Day, we will donate to the AIDS Orphan Support NGO•PLAS, the specific non-profit organization.

We hope to deepen our friendship and have a memorable time with the guests, the IEO members and their friends at venerable International House of Japan in Roppongi.

We are looking forward to welcoming you.
